

JOIN **SUSTAINABLE FLATBUSH**

A GRASSROOTS NON-PROFIT IN FLATBUSH, BROOKLYN

FOR A GATHERING ABOUT **FUNDING FOR ENERGY EFFICIENCY IMPROVEMENTS**

FOR SINGLE- AND MULTI-FAMILY RESIDENTIAL BUILDINGS.

Find out how to get funding for **YOUR** energy efficiency or renewable energy project, and save money on all your energy bills.

LEARN ABOUT

- Government financial incentives for weatherization and all major energy efficiency upgrades, for large rental and coop buildings as well as 1-4 family homes
- Tax credits and other funding opportunities that make renewable energy a viable option in 2010
- Contractors and other professionals who can get it done
- Getting started with your project

WHO SHOULD ATTEND

- Tenant and neighborhood associations
- Building owners
- Management companies
- Co-op boards and shareholders
- Homeowners
- Housing advocates

**JOIN US FOR A FREE
INFORMATIVE AND
PRACTICAL SESSION**

Sustainable Flatbush and our partners want to help you finance energy efficiency and renewable energy projects for our neighborhood, lower energy costs and reduce our "carbon footprint".

THE NEIGHBORHOOD ENERGY FORUM **SATURDAY, MARCH 20, 2010 FROM 9:30 AM – 2 PM**

Brooklyn College Student Center, Gold Room
Campus Road and East 27th Street, Brooklyn, NY 11210
